

Donate Life Pennsylvania Presents

The Doctor is in

ONLINE TOWN HALL

Featuring Dr. Clive Callender, MOTTEP Founder

A renowned transplant surgeon and creator of the National Minority Organ Tissue Transplant Education Program (MOTTEP), Dr. Callender has made educating and empowering people his life's work. Since MOTTEP's founding 30 years ago, African American organ donation rates more than tripled. This online town hall will celebrate the 25th anniversary of National Minority Donor Awareness Month.
